MEMORANDUM FOR MILPOS's of All States, Puerto Rico, Guam, US Virgin Islands, and the Federal District of Columbia

Subject: Integrated Personnel and Pay System – Army (IPPS-A) Requirement/Update

1. References: HQDA EXORD 055-14 Integrated Personnel and Pay System (IPPS-A) - Increment I, Dated 10 February 2014.

2. Purpose. It is imperative that ARNG Soldiers participate and provide feedback in order for IPPS-A to deploy what will become the Army's Web-based Integrated Personnel and Pay System. In addition, it will allow IPPS-A to make system improvements as they continue full deployment to all U.S. Army Components.

3. Discussion. The ARNG was selected to lead the way on the successful deployment of IPPS-A Increment 1, Release 1 to all ARNG Soldiers. As of 1 August 2014, a total of 356,039 ARNG Soldiers were provisioned, 48,493 (14%) accessed their Soldier Record Brief (SRB), and 23,890 (49%) completed the IPPS-A training on the Army Learning Management Systems (ALMS). Of the 48,493 Soldiers who accessed their SRB, only 12,235 (25%) completed the online questionnaire about data entry correctness.

a. Our current priorities requiring immediate attention are:

- (1) Registering and/or updating mail.mil email addresses in DEERS (<https://pki.dmdc.osd.mil/milconnect>).
- (2) Enrolling and completing SRB Training through the IPPS-A portal on AKO.
- (3) Accessing their SRBs from the IPPS-A portal.
- (4) Taking the questionnaire and survey.
- (5) Resolving of IPPS-A related errors identified by Soldiers.

b. The Army will continue to track the success of the roll out by component. They will be monitoring the above key metrics to ensure the system is being utilized and measure the accuracy and correctness of data contained in the SRB. For additional information, and to get started, please visit the IPPS-A public website at: <https://www.ipps-a.army.mil>.
