SUBJECT: EIOM 08-03: ARNG Materials at DANTEs

The updated ARNG Education Benefits Handbook and ARNG Education Benefits brochure are in print and will be shipped to you next week.

DANTEs continues to provide an excellent shipping service to our State Education Offices. Please insure your mailing address and other ordering information is up-to-date. You may contact, Cecil Mitchell, the DANTEs Distribution center Manager at cmitchel@voled.doded.mil or call at DSN 922-1111, Commercial (850) 452-1111.

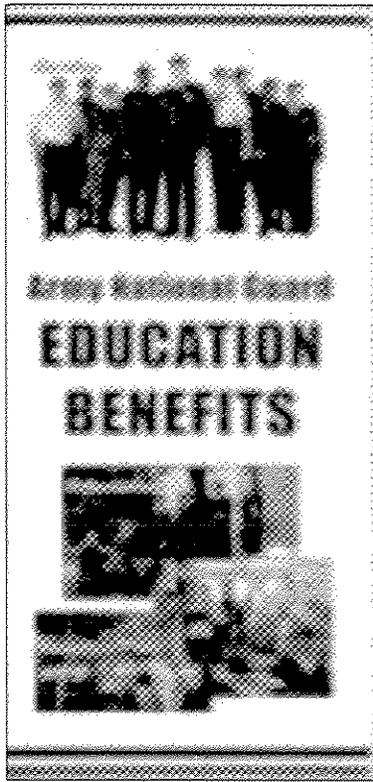

Material requests should indicate publications title, quantities you need and your DANTEs identification (ID) number. This ID number prints the shipping label that insures delivery to your location.

The handbook contains information on each of the 21 benefits including a description of the program, eligibility criteria, application procedures, and relevant email and web addresses. The brochure contains a matrix of the 21 programs with indicators on who may be eligible for each benefit, along with applicable web addresses. See attached document.

Each state and territory may expect to receive an initial supply of 4 boxes of handbooks (96 per box) and 300 brochures. Everything will be sent to the attention of the Education Office.

If you need further supplies, you may order directly from DANTEs using your DANTEs ID number. Most orders are shipped print/ground service, to allow at least three weeks for delivery. At the time you place your order, please confirm your mailing address with the DANTEs Distribution Center so there are no delays in delivery.

POC for these publications is Marcy Shapiro, SOCGuard Senior Program Manager, 1-800-368-5622, shapiro@aaascu.org.
