

**Run Mission Report Process: To show the Casualty Operations Section Chief details about each mission that was undertaken**

### **Description**

The ARNG Soldier and Family Support Division (ARNG-HRS) Casualty Operations Section Chief can run a mission report in the Casualty Mission Management (CMM) database that will roll up all the States into one report. Results can be broken down by ARNG and State to show where the Missions were undertaken. Categories in the report are: State, State description, missions, Casualty Notification Officer (CNO), Casualty Assistance Operations (CAO), and Chaplain.
